

The Family, Youth and Cross Systems Resource and Training Center is in the process of building a National and Statewide (NC) cross systems family and youth trainer database.

The Center ensures ongoing access to responsive training and resources for all cross systems stakeholders through authentic family and youth driven practices and highly vetted nationally certified, senior family and youth leadership. The Center builds upon and utilizes North Carolinas rich culture of family and youth leadership coupled with National resources and leaders. It promotes and accesses current trainings and as the culture evolves will create trainings that support emerging leaders. The Center is a place of excellence for cross systems, family driven/youth guided trainings, co- trainings and family and youth centered resources. Trainers contracted with the Center are national and state trainers who demonstrate family and youth best practices to support the needs of families and changing systems.

If you are an independent trainer or a trainer for an organization or an agency and would like to be included in the Family and Youth Center of Excellence Trainer Database, please complete, and send in the information below. Send completed form, picture and any certifications to Stacy Justiss at [sjustiss@ncfamiliesunited.org](mailto:sjustiss@ncfamiliesunited.org).
